

COOKING ROOM 2011

Daniel García

From Zortziko restaurant we are delighted to bring you our “Cooking Room Daniel García” a multi-purpose space capable of staging a broad variety of activities such as cooking workshops, cooking shows, gastronomic wine pairing, even you can hire it for commercial presentations.

In Zortziko we want to make a difference through our Cooking Room where we put all our efforts so you can enjoy haute cuisine in a dynamic and innovative manner.

The options are wide and the results acclaimed and successful. It is a peculiar way of enjoying food from the raw material to your palate that leaves nobody indifferent.

After travelling all around the globe showing his cuisine, Daniel García is totally at your disposal. This is a great opportunity to learn about regional cuisine from one of the most influential chefs of the region.

The room is full equipped with the latest technologies. It is provided with video camera and two big screens with the objective of not losing a single detail of what Daniel García is cooking.

We want to offer you an unforgettable journey through your senses.

SHOW COOKING

We employ all our mastery to show you how from the most simple product, we can create a masterpiece.
You will enjoy a cooking show where you can address your concerns and taste the cooked products. We will make you live an incredible experience full of sensations.
In this space we want to show and share with you our passion for our cuisine.

MENUS PAIRED WITH WINES OF THE WINERY

We will show you the art of combine a good glass of wine with a good dish. After an exhaustive wine tasting from our own winery, our sommelier will choose personally the wines that best suit your dishes with each appropriate explanation.

This is an excellent way of knowing and merging the different option of the gastronomy where a good meal always must be accompanied by a good wine.

WINE TASTINGS

This is the best option to enjoy the wine appreciating every detail and essence in a sea of sensations that will make you taste de wine like never before. From Zortziko we put in your disposal a wine tasting from our winery that will be exclusively selected for you and in which we will explain you every detail of our wines. We organize wine tasting for groups.

We provide you with different option of tastings:

- Regional, national and international wines.
- Oil tastings
- Beer tastings
- Coffee tastings

HIRE FOR COMMERCIAL PRESENTATIONS

If what you need is an open, cool, bright and exclusive space with the latest technologies, the Cooking Room of Zortziko is place you are looking for. Its big flat screens with high definition which are hanging at the front of the room, are optimums for every sort of presentation, meeting or colloquium. You are the one who decides the use of the room. The room is an open space adaptable to your necessities.
